

## Apple Picking at Foothills of Mt. Asama

Overview	Feel the refreshing breezes, and enjoy apple picking at a highland orchard 1,000m high, at the foot of Mt. Asama! The orchard is full of sweet aroma of over 20 varieties of apples, including standard kinds and Nagano's new original brands. There are about 2,000 organic apple trees grown with very small amount of chemicals and lots of sunshine.
