

Tri-Colored Autumn Landscapes in Hakuba

| | |
|-----------------|---|
| <p>Overview</p> | <p>"Tri-Colored Autumn Landscapes in Hakuba" are a special seasonal feature of the fall.</p> <p>When the first snow of the season covers the peaks of the Hakuba mountain range, the Hakuba area offers spectacular tri-colored landscapes with red fall foliage and green conifers against white snow-capped mountains.</p> <p>Please do not miss this natural feature unique to Hakuba!</p> |
