

## Strawberry Picking at *Miharashi Farm*

At *Miharashi Farm*, the Strawberry Garden is open from January to early June. You can eat three varieties of strawberries, *Beni Hoppe*, *Akihime* and *Nyoho*, to your heart's content because there is no time limit at this all-you-can-eat strawberry farm. You don't have to worry about snow or bad weather, because the farm is inside a greenhouse!

After you get full, why don't you soak in *Miharashi-no-Yu*, a one-day hot spring in the farm?

At *Miharashi Farm*, you can also experience soba noodle making (reservation needed) and weaving, eat at an all-you-can-eat restaurant and stay overnight.
