

Marugotera Bus Tours in the Hot Spring Village

Join us on the tours guided by the women innkeepers of Yudanaka-Shibu Hot Spring Village, experts in hospitality. This year, we have prepared two tour plans to enjoy changing seasons.

【Fall Foliage Tour】 Take a walk in the best fall foliage vista point of the day with a woman innkeeper. The best vista point changes as the fall deepens, since the Shiga Highlands have a large difference in elevation.

【Apple Tour】 After the fall foliage is over, we welcome an apple season. Enjoy tasting apples in the orchard, and other innkeepers' recommendations.

※The tour plans are subject to change due to the weather (You may visit indoor facilities).

※*Marugotera* means “entire” in the local dialect.
