

Fall Foliage in Shiga Highlands (Zako River, Kamman Falls Observatory, Lake Ichinuma, Lake Onuma)

In Yamanouchi Town, you can enjoy fall foliage for a long time because the mountains surrounding the town rise over 2,000m, creating a large difference in elevation. Why not enjoy a panoramic view of vivid colors of autumn leaves in Yamanouchi? You also have an easy access to the Wild Monkey Park. Just hop on a bus for 20 to 40 minutes.
