

Eastern Nagano Snowball Fight Saku Event (Qualifying round for Japan Snowball Fight Championships)

<p style="text-align: center;">Overview</p>	<p>Snowball fight rules are as follows: Four forward players attack the other team's fort by throwing the limited number of snowballs supplied by their three rear players. They win when they snatch the other's flag. Players protect themselves by hiding behind a shelter because they must leave the game when hit by a snowball.</p> <p>Snowball fight workshops are held at the same time so that anybody, even those who have never toughed snow before, can have a great time.</p> <p>※ We are planning workshops in other areas too.</p>
