

Hakuba Goryu Ski Resort

<p>Overview</p>	<p>Hakuba Goryu Ski Resort is well-known for its excellent snow quality and breathtaking views of the Northern Alps. Please enjoy skiing from late November to the Golden Week in early May at three unique ski grounds of Alps, Tomi and limori. They include specialized areas of snow parks and kid's grounds, which offer safe and fun activities thanks to daily maintenance by our in-house staff. There are enjoyable events you can join. Please visit our website for more information about events and accommodations. www.hakubagoryu.com</p>
