Photo	 The photo section contains two side-by-side images. The left image shows a festive light display at night, featuring a tall, slender Christmas tree covered in multi-colored lights (blue, green, red, yellow). To its right is a large, glowing purple rabbit sculpture made of many small lights. The background is dark, suggesting an outdoor night setting. The right image is a close-up of the glowing purple rabbit sculpture, showing its large ears and textured surface of small lights.
