

Shibu Onsen Summer Festival

Shibu Onsen is a nostalgic hot spring village with stone-paved alleys. During the summer festival, the streets are closed to motor vehicles, and become venues for various events planned by residents. Very different from festivals in big cities, the festival in Shibu Onsen is a heart-warming, good old country fair. Please enjoy the ambiance of a Japanese hot spring town, walking the paved alleys in your *yukata* outfit, and clattering your wooden sandals.
